Personal Information may also be shared with other service providers or third-party suppliers should the transaction/service rendering require the sharing of information.

#### 8.4. **Planned transborder flow of personal information**

Generally, we do not transfer your personal information to another country. However, in certain cases this may be necessary, for example, when our suppliers are based outside South Africa or when the service we provide involves a foreign party. Such transfers will only take place if:

- They are essential to the nature of the transaction, and
- They comply with the requirements of POPIA and/or other applicable South African laws.

When we do transfer your information across South African borders, we will take steps to ensure that the country or organisation receiving it has strong safeguards in place. This includes:

- Ensuring the destination country's laws offer similar protection to POPIA,
- Confirming that binding corporate rules are in place, or
- Relying on legal agreements that guarantee your information is handled securely and respectfully.

**Use of cloud-based software:** We use trusted software tools such as Microsoft 365 and Google Business to support our business operations and store personal information. These tools may store data on servers located outside South Africa. We believe these providers offer adequate protection for the personal information we entrust to them.

8.5. **General description of information security measures to be implemented by the responsible party to ensure the confidentiality, integrity, and availability of the information**

Mpumalanga Fencing Warehouse CC t/a Mpumalanga Guest House has implemented a range of reasonable and technical and organisational security measures to protect personal information against unauthorised access, unlawful processing, loss, destruction, or damage.
